

Our Mission:

Together we will build a fun, safe and caring school that promotes:

- The joy of learning
- High personal achievement
- Respect for individual differences
- Dignity for all
- Equal opportunities by eliminating discrimination

We will provide a curriculum that is:

- Broad and balanced
- Engaging and interesting
- Focused on the individual needs of each pupil
- Able to develop academic, functional, vocational and creative skills

We will nurture, encourage and listen to every voice in our community, including pupils, parents and carers, friends and staff. Maximising the potential of every pupil will be placed at the heart of all decision making.

All young people will be valued for their individual contributions and their talents celebrated.

We will support all pupils to leave as confident and independent individuals, armed with the necessary skills to ensure that they can advocate effectively for themselves.

We will support pupils to pursue their ambitions, attain full social inclusion and achieve a high quality of life.
