

Summer Activities and Support - 2018

Dear Parents/Carers,

We appreciate that whilst it is lovely for your son/daughter to have six weeks off school, this can be a long period to keep them entertained. We have tried to put together below a list of some of the things that are happening in the local area over the summer. Also included are sources of help and support for you should the need arise. Please remember we are still here for you over the holidays, so you can get in contact on my mobile 07799547594 and we will do our best to help.

Have a great summer; let us hope the sun shines.

Best wishes

Rob Watkins, Principal

Counselling support

Off the Record/jumpstart- Counselling. 14-25yrs can self-refer by phone.

Skycasts - These are free online group workshops. They offer practical tips and info about issues young people might be struggling with as well as the opportunity to meet other young people and share ideas in a safe, secure and confidential chat room. Past Skycasts are available online for young people to access.

Skyline - SkyLine is a free and friendly online counselling service for young people in Croydon, Sutton or Merton. Skyline provides a safe online space to help young people talk about difficult things they might be facing. An allocated trained counsellor will listen and support the young person.

The above services are commissioned by the CCG, more information can be found at the following links:

<https://www.skylinesupport.org>

<https://www.talkofftherecord.org>

The following telephone number can also be made available if a young person prefer to phone for support before deciding whether to drop in: **07500**

This will be sent to schools early next week and contain information on where to get support.

Sutton Alliance

In addition to the above, the council and CCG have agreed additional investment into the Sutton Alliance, this will include:

A new Designated Self-Harm Nurse - who will provide brief and extended assessment, brief treatments, family support and signposting. The Nurse will also provide 24 hour follow up post A&E attendance.

Increase in SPA resource by 1 full time employee (fte) - who will bridge the gap between CAMHS SPA and MASH, providing triage and assessment, and supporting extended SPA opening hours.

A&E CAMHS Emergency Response Nurse (1fte) - Dedicated support at St Helier for Sutton young people who present with mental health / self-harming concerns, liaison with CAMHS SPA, MASH & Sutton Alliance services. Twilight working to cover those times when demand is most heavy i.e. evenings.

It is envisaged that the above will be in place by the **1st August 2017**

The SPA will continue to receive referrals as usual and triage appropriately, signposting or referring into appropriate services.

Updates

We would encourage schools and parent/carers to check the LSCB website, where we will provide regular updates on provision - **<http://www.suttonlscb.org.uk/>**

Thank you for your important support to help keep children and young people safe in Sutton.
Yours sincerely,
